1. The Wave 23 survey was administered exclusively in web mode. The survey included N=186 previous mail mode panelists that were converted to web and were provided an internet-enabled tablet if necessary.
2. In May 2016, this item was presented as, “The economy and job situation."
3. In May 2016, this item was presented as, “The 2016 presidential election campaign.”
ASK ALL:
THermo

We'd like to get your feelings toward a number of groups on a “feeling thermometer.” A rating of zero degrees means you feel as cold and negative as possible. A rating of 100 degrees means you feel as warm and positive as possible. You would rate the group at 50 degrees if you don’t feel particularly positive or negative toward the group.

How do you feel toward... [INSERT ITEM; RANDOMIZE] [Enter the number in the box between 0 and 100 that reflects your feelings]

<table>
<thead>
